

Warren County Technical School Transportation Department

- This year all bus stop information can be found in the parent portal of Genesis.
- An actual bus pass is not required. Your child's name will appear on the driver's roster.
- Please be at the bus stop 10 minutes prior to the time listed. The times are computer estimates. After several days the bus will begin coming at a consistent time, which may be different than the time listed.
- Please review the actual bus stop location with your child. Please review the method and path your child will use to get to and from the bus stop safely.
