Sprouts Preschool

(Located in Warren County Technical High School)

What is Sprouts Preschool?

It's a unique preschool program designed to be a hands on learning experience for high school students.

Under the guidance of the Child Development teacher high school students develop, plan, and teach daily lessons/activities to the preschool students.

What does Sprouts offer?

-  **Classes for 3-4 & 4-5yr olds**
-  **AM/PM sessions**
-  **Circle Time**
-  **Kindergarten readiness activities**
-  **LeapFrog computer programs**
-  **Arts & Crafts**
-  **Outdoor play**
-  **Snack (provided)**

What makes Sprouts stand out from other preschools?

The opportunity to experience other programs within Warren County Tech. "Field trips" to Cosmetology for mini-manicures/spiked hair, to Culinary Arts for icing/decorating cookies, to the library for story time and even a visit for Law and Public Safety for a program on stranger danger to name a few.

In addition, Sprouts Preschool is a strong pre-academic/experiential program preparing young children for kindergarten.
