Warren County Technical School seeks motivated students who have demonstrated academic, behavioral, and social growth over the course of their middle school years and have a strong interest in pursuing an education and training in one of our career programs. This growth will be measured through the examination of report card, test score, attendance, and discipline record data along with the review of a letter of recommendation provided by each applicant's current school. Additionally, the Warren County Technical School's admissions team will learn more about each applicant through the submission of a personal essay and the interview process. Each interested student should express the reasons he or she desires to attend Warren Tech to pursue a career and technical education in a well written one to two page essay. Finally, Warren County Technical School reserves the right to interview any student as part of the admissions process. Warren County Technical School's admissions team will contact applicants to schedule an interview.

After completing your student application, a parent must sign a statement of parental release, so that we may review your application. Furthermore, each applicant must notify their current school of your intent to apply to Warren Tech. This will allow that each applicant to obtain the following required documentation to complete their application..

Required documentation:

- Report cards (seventh grade and current progress in eighth grade)
- Middle School Standardized Test Scores
- Algebra grades (if taken in Middle School)
- A letter of recommendation from a guidance counselor or school administrator summarizing the applicant's attitude, behavior, attendance, and work ethic.
- Additional letters of recommendation on behalf of the applicant may be submitted as well.
- Copies of all attendance records, discipline records and referrals.
- One to two page essay explaining the reason you want to pursue a vocational education.
- Signed statement of parental release (located on final page of application)

* Any misinformation on this document may result in forfeiture of the application review or acceptance.
