

Interphase G1

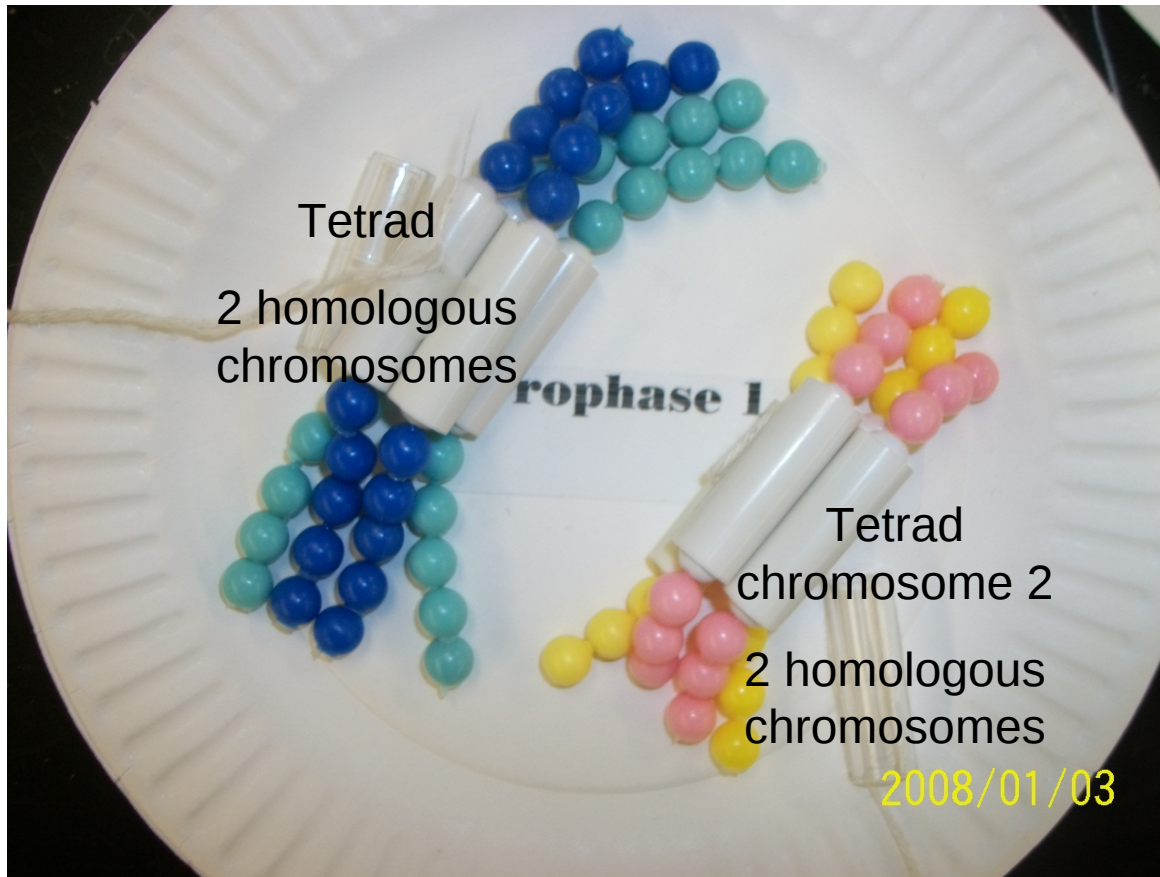

Interphase S

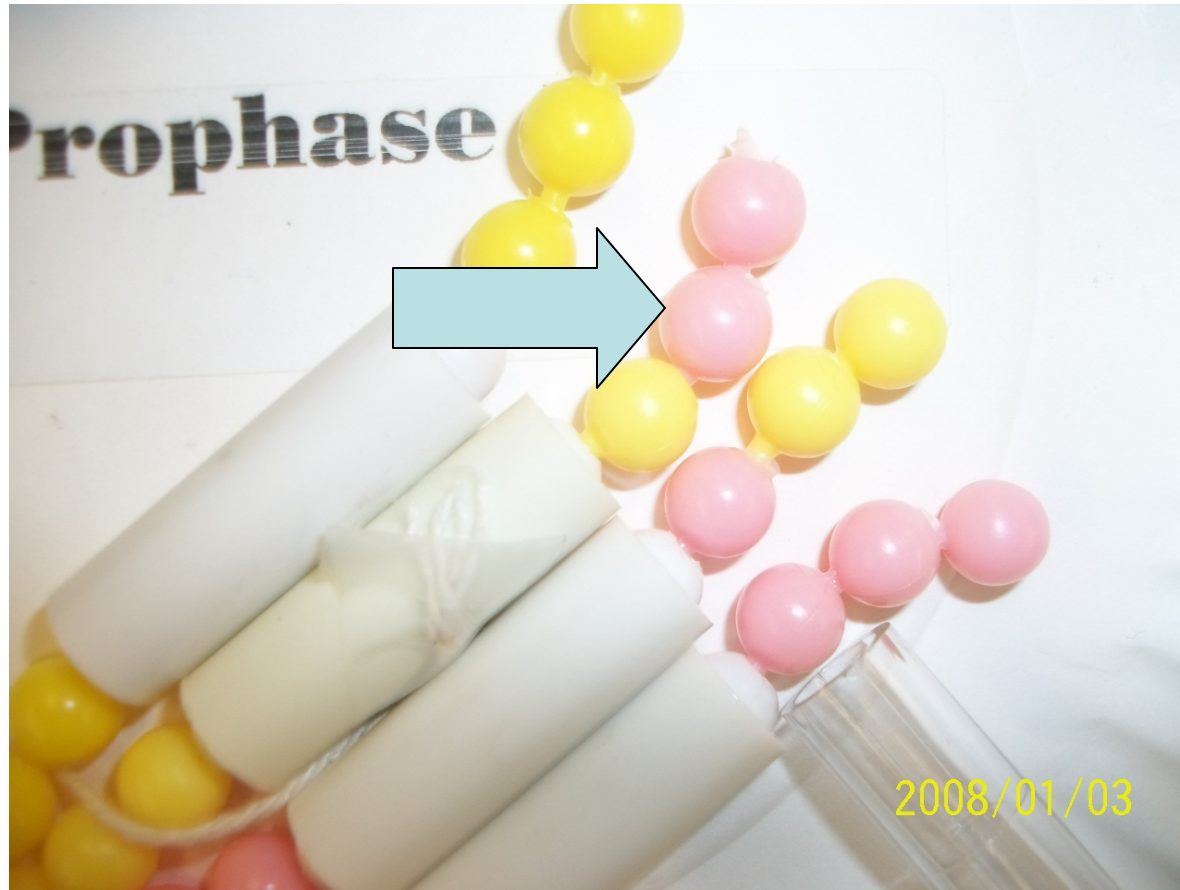

Prophase 1

Prophase 1- crossing over

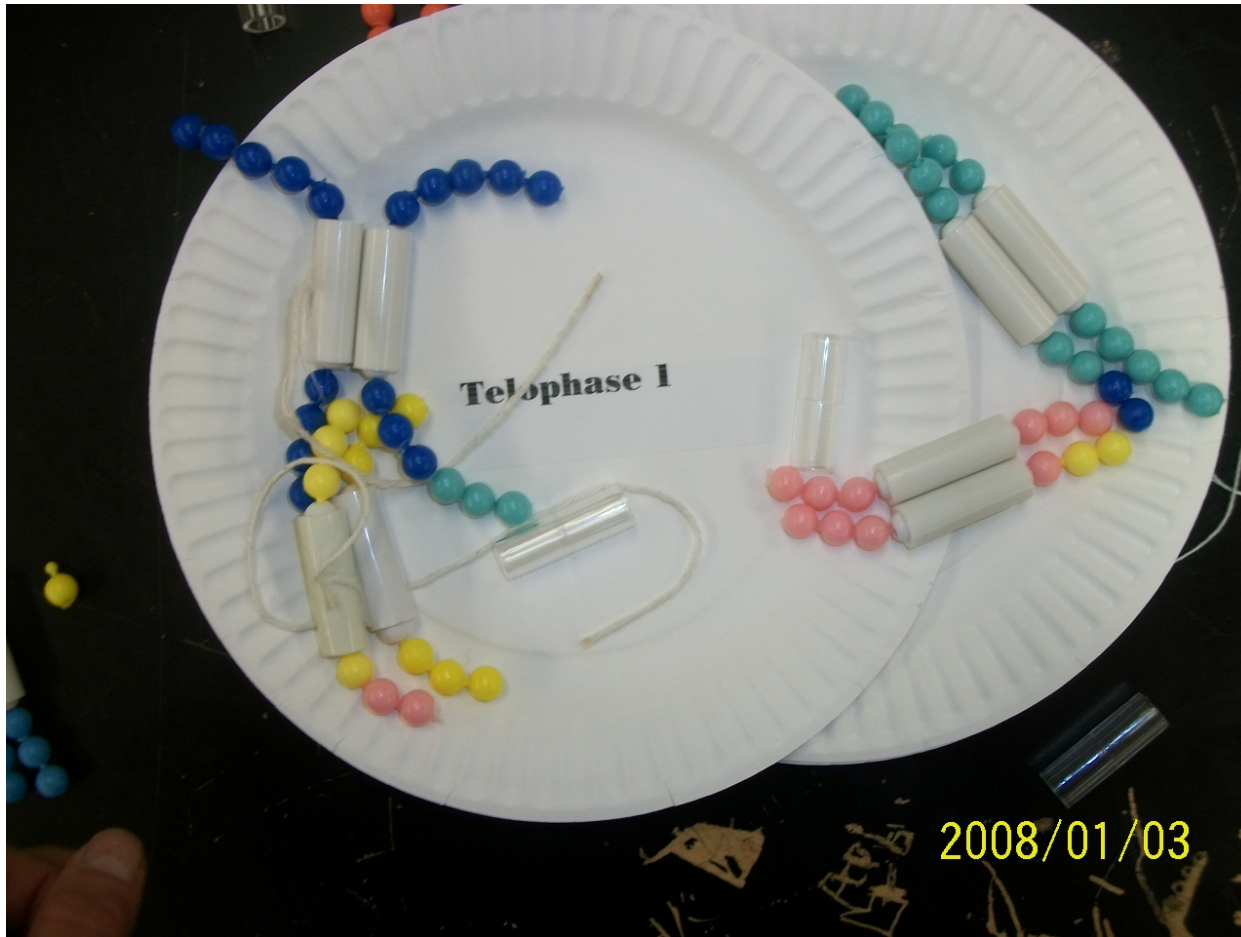

Crossing over

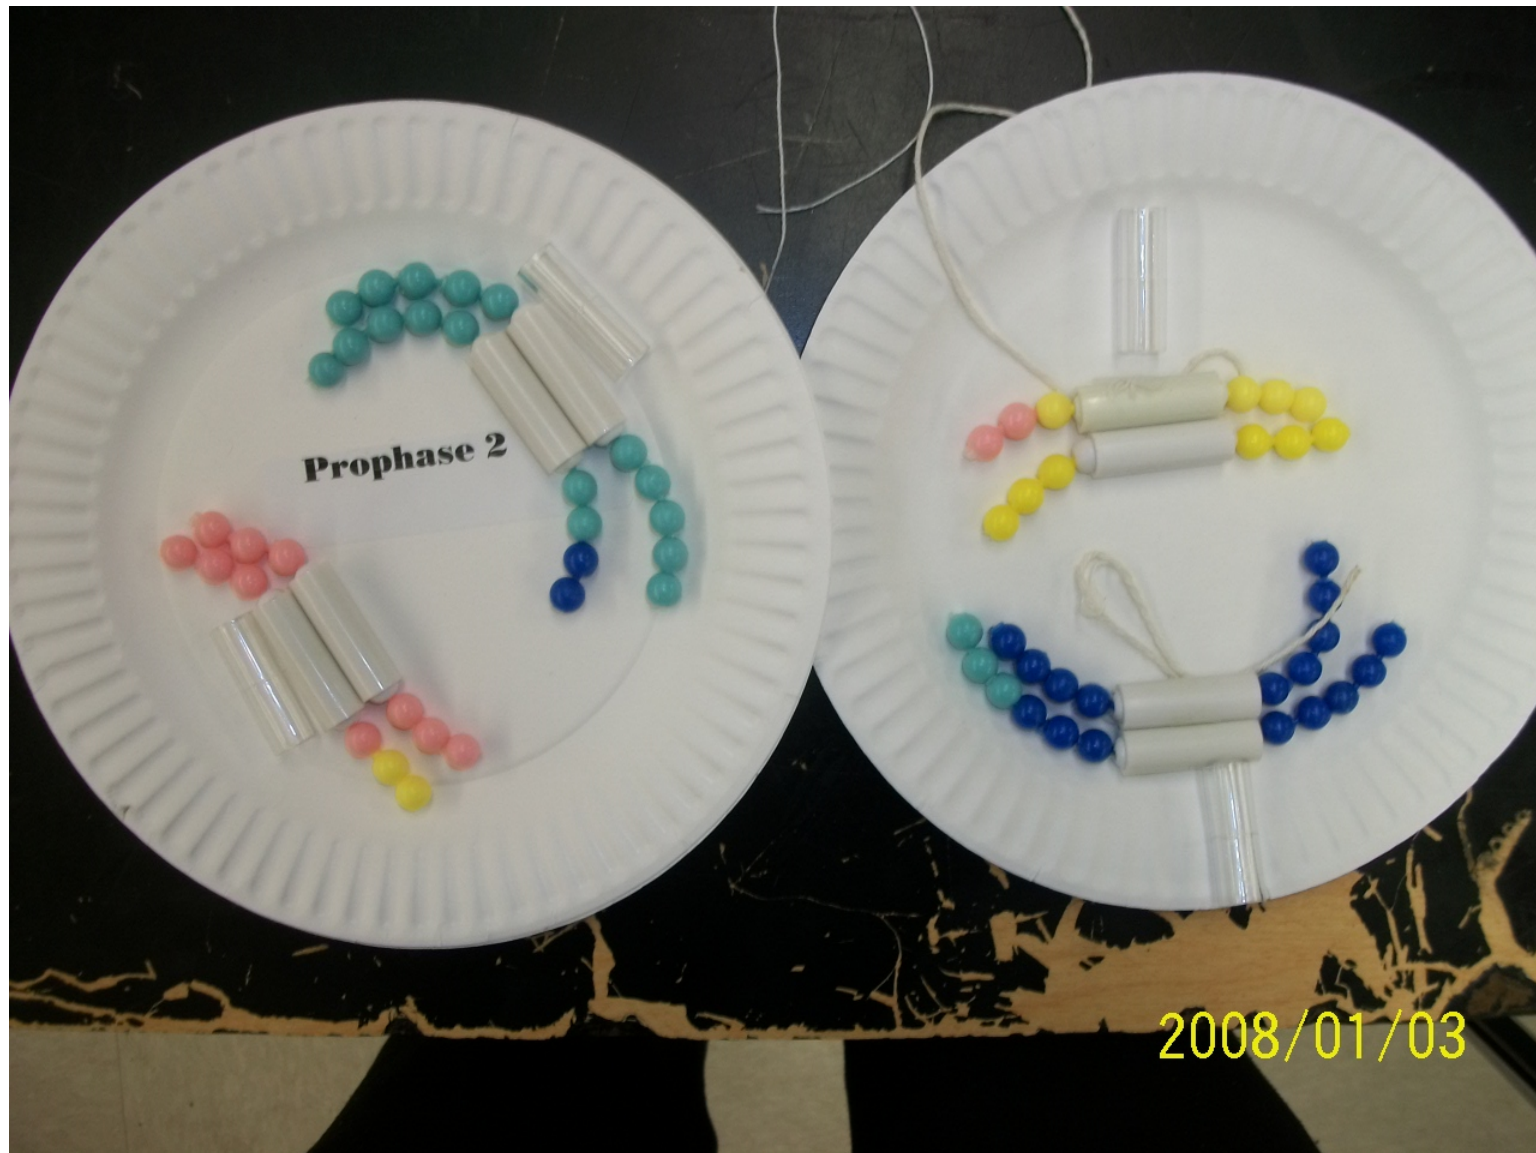

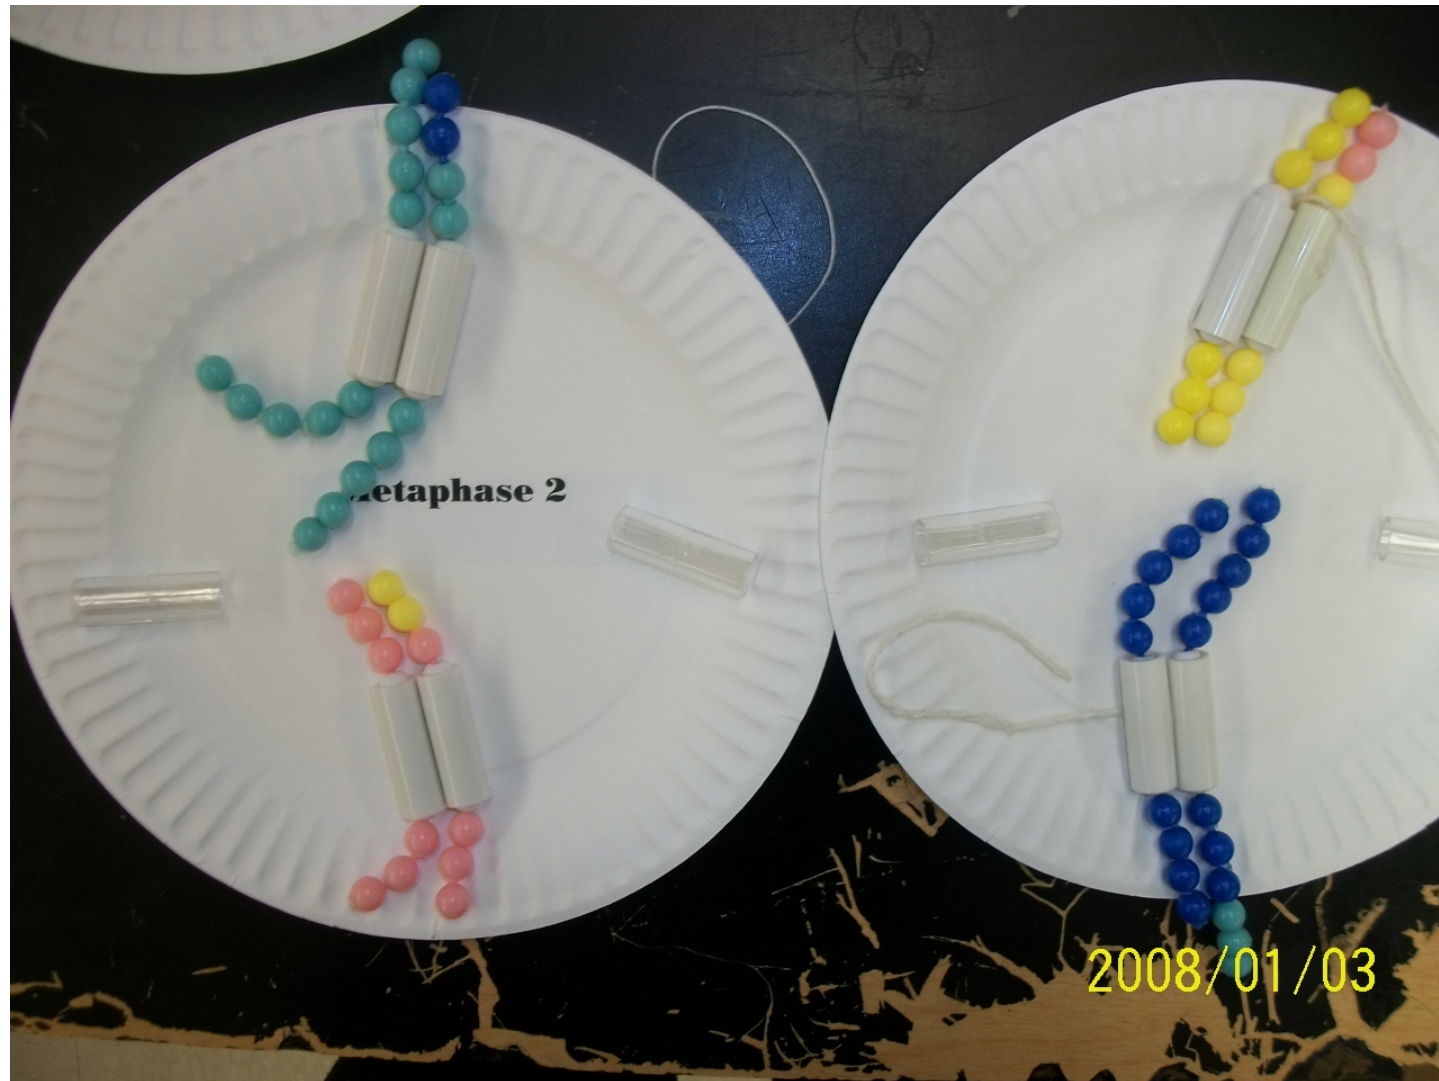

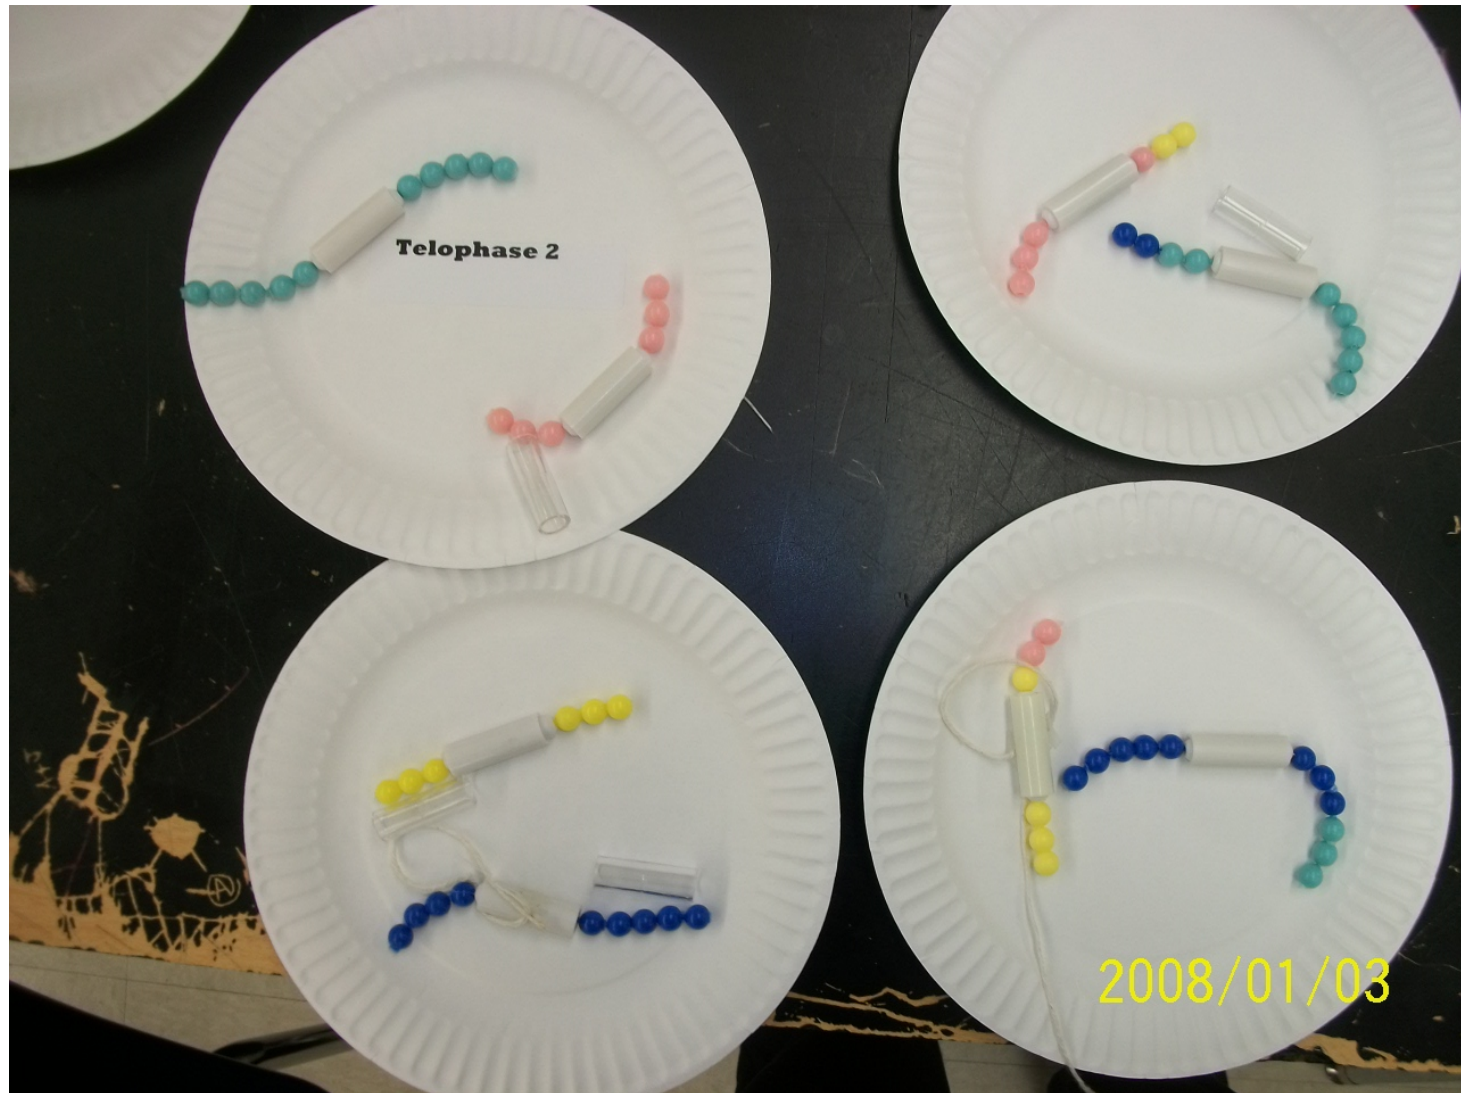

Telophase 1 and cytokinesis

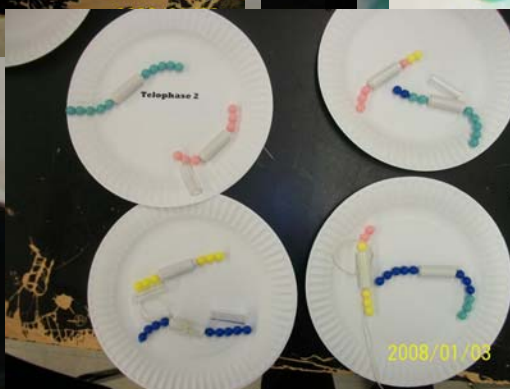

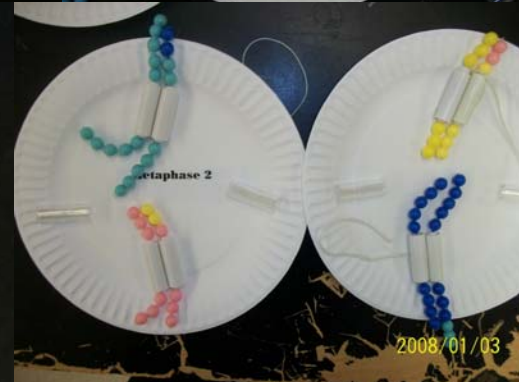

- 4 centromeres
- 8 centrosomes
- 20 pop beads of 4 different colors
- string
- Plates or poster board
 - Interphase, Prophase 1, metaphase 1, anaphase 1, telophase 1, cytokinesis, prophase 2, metaphase 2, anaphase 2, telophase2 cytokinesis
- A digital device

A 2 chromosome
organism
