LAW & PUBLIC SAFETY

WARREN TECH LAW & PUBLIC SAFETY

Overview

The Law & Public Safety Program at Warren Tech prepares students to pursue a variety of careers in the law enforcement and public safety industry. Students in the program go on to college, pursue careers as police officers, emergency service personnel, Wildlife, Fish Game Officers, armed forces and more.

Students learn about basic and advanced first aid, crime scene processing, report writing, forensics, crime scene investigation, evidence gathering technique, the legal system, the court system, fire extinguisher use, traffic control, power line incidents, and are certified in CPR/AED. Students in this program will complete

summonses and criminal complaints along with completing the required investigative reports. Interviewing and interrogation skills will also be developed. Students participate in the simulation exercises in conjunction with local officers and agents of these offices are brought in for ancillary instruction.

Certifications such as first responder, CPR/AED, ICS 100 & 700, and HAZ-MAT can be obtained.

Live Simulations

Students in the Law & Public Safety program will have the opportunity to practice skills learned through live simulations in conjunction with local law enforcement offices.

Certifications

CPR/AED, Blood Borne Pathogens, Incident Command 100 & 700, HAZ-MAT.

Pathways in Law & Public Safety

The Warren Tech Law & Public Safety Career Academy prepares students for a variety of paths upon completion of the program. Students are prepared for college, law enforcement, military, and emergency responder careers.

College Prep

Students enrolled in the Law & Public Safety Academy classes at Warren Tech are prepared for college. Many students' pursue college degrees in law enforcement, criminal justice, and corrections programs.

Military

Law & Public Safety students are also prepared for military careers. Students will participate in activities with local military recruiters and be introduced to careers in the armed forces.

Emergency Responder Careers

Students in the Law & Public Safety Career Academy also have the track of preparing for the workforce. Students in this pathway will focus on becoming employed in the field. Students earn emergency responder certifications and network with local law enforcement agencies to become exposed to a variety of careers in public safety.

Students in the Law & Public Safety Program have the opportunity to compete in a variety of SKILLS USA Competitions such as Crime Scene Investigation, Criminal Justice, Firefighting, and CPR, & First Aid.

HANDS ON EXPERIENCE

Students in the Law & Public Safety program gain hands experience through collaborative exercises with local law enforcement agencies.

Warren Tech Law & Public Safety

"The Law & Public Safety Program is great! We go on a lot of field trips, develop hands on skills, and network with local law enforcement agencies!" ~ A. Szabanos, Class of 2016
